

Embedded video highlighting the company. Create a placeholder until video exists.

User profile icon. Allows user to navigate to their profile.

Blurb is just a placeholder.

Option: make goals interactive, i.e., clicking on the icon opens a text bubble with a blurb.

Note: goals are placeholders, these might change.

FAQs dropdown. Answer displayed when '+' is clicked. A '-' closes the answer.

Note: there can be more FAQs options.

Text/question box.

Send button forwards question to Chameleon email.

Email address either pulls from user login details, or a separate email text box should be added.
